ASSOCIATE

Robert Snyder is a member of the firm's Cybersecurity and Data Privacy section and International section. He has significant on-the-job experience in the tech transactions and information privacy fields and has worked in privacy-related matters for approximately seven years. Mr. Snyder supports several large clients with data-intensive operations all across the world and is heavily involved in advising these clients on data privacy and information security. In this capacity, he has gained experience analyzing and advising both charitable and commercial clients with complicated domestic and international privacy concerns.

Mr. Snyder is also involved in Silicon Slopes where he supports clients with technology transactions, such as SaaS, service level, subscription, and other types of agreements. He also helps with general corporate work, including entity formation, partnership agreements, and corporate governance. He has worked eight years in management, which allows him to understand a client's needs and how to address those needs in an efficient and effective manner.

Mr. Snyder served as the vice chair of the Silicon Slopes Legal Chapter and chair of the Cyberlaw Section for the Utah State Bar.
